# More people are smoking CAMELS than ever before in history!

Yes, experience during the war shortage taught millions the differences in cigarette quality!

 Mrs. Dorothy Newstead speaking; "During the war shortage, I smoked many different brands. And that's when I found that Camels suit my "T-Zone" best!"

brands. And that's when I lound that Camels suit my 'T-Zone' best!" Millions of smokers found themselves comparing brands. And that rich flavor and the

cool mildness of Camels found a happy welcome in millions of "T-Zones." Result: Today more people are smoking Camels than ever before. But, no matter

how great the demand: Camel quality is not to be tampered with. Only choice tobaccos, properly aged, and blended in the time-honored Camel way, are used in Camels.

According to a recent Nationwide survey:

MORE DOCTORS
SMOKE CAMELS
than any other cigarette

 Three nationally known independent research organizations asked 113,597 doctors in every branch of medicine to name the eignrette they smoked. More doctors named Camel than any other brand.
